Preventing Radicalisation Policy

Radicalisation has a devastating effect on children and young people. Protecting them from all forms of extremist ideas, in whatever form, is a safeguarding priority. By fostering a collective responsibility and actively promoting the fundamental British value of democracy, the rule of law, individual liberty, mutual respect and tolerance, pupils will build resilience and be protected from extremist narratives. Therefore, it is essential all staff maintain an attitude of and consider it could happen here.

1. STATEMENT OF INTENT

The aim of the Prevent strategy is to reduce the threat to the UK from terrorism by stopping becoming terrorists or supporting terrorism. This also includes non-violent extremism recognising that this can create an atmosphere conducive to terrorism and popularise views, which terrorists can exploit.

Extremism is defined as the 'Vocal or active opposition to fundamental British Values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs.' (Counter Extremism Strategy (2015))

Protecting children from the risk of radicalisation is part of the school's wider safeguarding duties. Radicalisation is a gradual process therefore early intervention offers the possibility to steer someone away from being drawn into terrorist activity.

Staff will be alert to changes in children's behaviour which could indicate that they may need help or protection.

- Staff will use their professional judgement to identify children who may be at risk of radicalisation and act appropriately – which may include making a referral to the Channel programme.
- The school will work with the Local Children's Safeguarding Board as appropriate.

2. TRAINING

The Designated Safeguarding Lead (DSL) and the members of the Senior Management Team (SMT) will organise Prevent Duty training for all staff. SSS Learning LTD will be used for 2022-2023

3. RISK INDICATORS

- Distancing themselves from their cultural/religious heritage
- Uncomfortable with their place in society
- Changing style of dress or personal experience to accord with the group
- Conversation increasingly focussed on a particular (potentially extremist) ideology
- Possession of materials or symbols associated with an extremist cause

3.2 Indicators of a personal crisis:

- Low self-esteem
- Disassociation from existing friendship groups
- Loss of interest in activities which they previously engaged with
- Searching for answers to questions about identity, faith and belonging
- Peer pressure
- Bullying
- Crime
- Anti-social behaviour

3.3 Indicators of vulnerability through personal circumstances:

- Migration
- Local community tensions

- Events affecting their country or region of origin
- Alienation from UK values
- A sense of grievance triggered by personal experience of racism or discrimination
- Influence from other people

3.4 Indicators of vulnerability through unmet aspirations:

- Inappropriate forms of address
- Possession of prejudice related material
- Property damage
- Refusal to cooperate with teachers/adults requests
- Condoning or supporting engagement with extremist ideologies or groups

4. MAKING A JUDGEMENT

When making a judgement, staff will ask themselves the following questions:

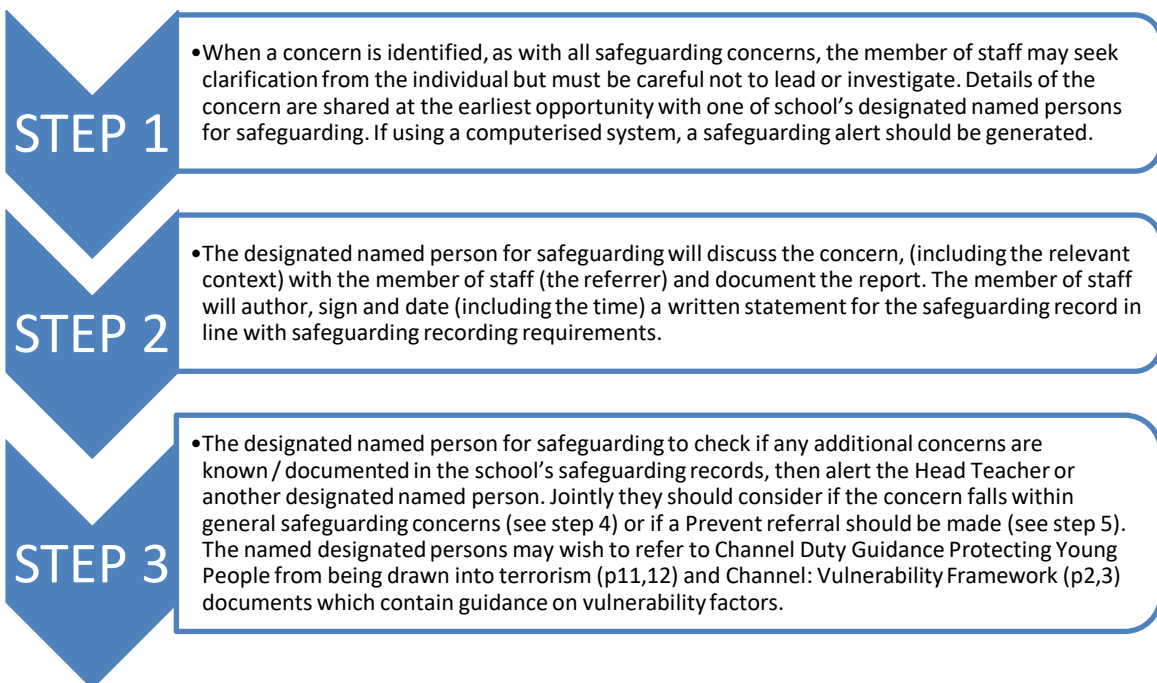

- Does the child have access to extremist influences?
- Does the child access the internet for the purposes of extremist activities (e.g. using closed network groups, accessing or distributing extremist material, contacting covertly using Skype, etc.)?
- Is there a reason to believe that the child has been, or is likely to be, involved with extremist organisations?
- Is the child known to possess or actively seek extremist literature/other media likely to incite racial or religious hatred?
- Does the child sympathise with or support illegal/illicit groups?
- Does the child support groups with links to extremist activity?
- Has the child encountered peer, social, family or faith group rejection?
- Is there evidence of extremist ideological, political or religious influence on the child?
- Have international events in areas of conflict and civil unrest had a noticeable impact on the child?
- Has there been a significant shift in the child's outward appearance that suggests a new social, political or religious influence?
- Has the child come into conflict with family over religious beliefs, lifestyle or dress choices?
- Does the child vocally support terrorist attacks; either verbally or in their written work?
- Has the child witnessed or been the victim of racial or religious hate crime?
- Is there a pattern of regular or extended travel within the UK?
- Has the child travelled for extended periods of time to international locations?
- Does the child have experience of poverty, disadvantage, discrimination or social exclusion?

- Does the child display a lack of affinity or understanding for others?
- Is the child the victim of social isolation?
- Does the child demonstrate a simplistic or flawed understanding of religion or politics?
- Is the child a foreign national, refugee or awaiting a decision on their/their family's immigration status?
- Does the child have insecure, conflicted or absent family relationships?
- Has the child experienced any trauma in their lives, particularly trauma associated with war or sectarian conflict?
- Is there evidence that a significant adult or other person in the child's life has extremist views or sympathies?

Critical indicators include where the child is:

- In contact with extremist recruiters
- Articulating support for extremist causes or leaders
- Accessing extremist websites
- Possessing extremist literature
- Using extremist narratives and a global ideology to explain personal disadvantage
- Justifying the use of violence to solve societal issues
- Joining extremist organisations
- Making significant changes to their appearance and/or behaviour

5. PREVENT DUTY REFERRAL PROTOCOL

STEP 4

- School to follow general safeguarding protocols taking action to support and / or make referral to social care where appropriate.

STEP 5

- The designated named person for safeguarding to make a referral to the Local Authority safeguarding team. This is usually via the Local Safeguarding partnership or the Multi-Agency Safeguarding Hub (MASH). However, some Local Authorities have designated a nominated Prevent referral lead within the authority to receive all Prevent referrals.

STEP 6

- After consideration, if warranted, the Local Authority to pass the referral to the Channel co-ordinator for management through to the Local Authority Chaired Channel panel.

STEP 7

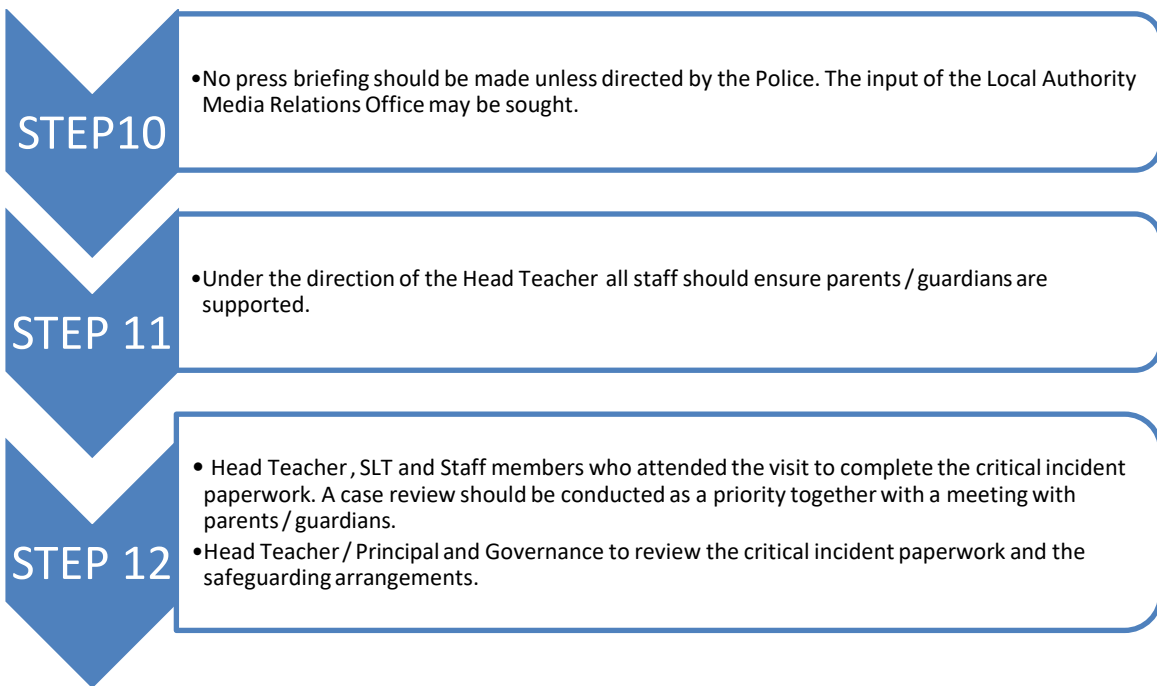

- The Channel panel convenes to consider support options.

STEP 8

- If deemed suitable by the Channel panel a holistic package of support will be determined and delivered. Please note school may be involved as part of the multi-agency support offered.

STEP 9

- As with all aspects of safeguarding, even if Channel support is deemed suitable and offered, school retains a duty of care. As such staff should remain vigilant, reporting any new or further concerns to school's designated named persons for safeguarding.

6. PREVENTING RADICALISATION THROUGH LEARNING

1. Staff are committed to the positive culture /ethos of collective responsibility visible in the everyday life of the setting under the direction of governance and leadership which is out-lined in the code of conduct.
2. Parent Support Officers have a good understanding of the context of our community through work closely with parents. This information helps us to plan events and support so that we educate and promote the respect of all faiths and cultures through our 'Peace Mala Commitments.'
3. Effective and consistent application of the range of safeguarding policies are monitored by the Safeguarding and Inclusion Team within school.
4. Effective safer recruitment and vetting processes of staff ensure all children are protected from radicalisation and/ or extremist behaviour.
5. The ICT curriculum educated children about the risks of technology use and internet use in radicalisation. The ICT curriculum promotes online and cyber safety together with appropriate use of media devices, the internet and social media.
6. Internet access filters are in place and monitored regularly.
7. Children are taught about the UN Convention On The Rights Of The Child through the Rights Respecting Schools programme. Through this context a wide range of historical and current topics are explored and discussed. We currently hold Rights Respecting Schools Bronze award.
8. The Dimensions curriculum teaches KS2 children about Extremism and Radicalisation.
