

# Rights Respecting

## Spring Newsletter 2024

### Rights Respecting Accreditation

On Wednesday, May 22nd, we have our Rights Respecting Accreditation where we are hoping to achieve silver. Accreditors from UNICEF will look at the evidence we have put together and speak to staff, children and parents/carers to find out more about how we learn about and respect rights at Newall Green Primary School. If you would like to have your say, then please let us know. Check out our website to find out more:

[Newall Green Primary School: Rights Respecting School](https://www.newallgreenprimaryschool.co.uk/) .

### Digital Ambassadors

Article 19—right to be protected from being hurt.

Article 17—right to collect information from the media and be protected from information that could harm you.

We have been given an exciting opportunity to team up with over 60 primary schools in Manchester to train some of our pupils up to become digital ambassadors. The chosen pupils will run a project in school aimed at helping children to understand how to stay safe online and provide support to those who have experienced negative online incidents.

### Make Your Mark - Youth Parliament vote.

Article 12, 13 and 14– Right to an opinion and to share your thoughts.

The school council ran their very own polling station to allow all our young people to vote on an area that they would like to see improved in Manchester. The two winning categories were 'Education and Learning' and 'Crime and Safety'. Even our Rights Ranger had a vote.

Check out our website to find out more about Rights Respecting at Newall Green.
