Newsletter Week 3

Dear Newall Green Primary School Community,

As we settle into the rhythm of the new academic year, I'm delighted to share some exciting updates and celebrations with you all. Our school is buzzing with activity, and it's wonderful to see our pupils embracing new opportunities and challenges.

We've recently hosted our parent 'meet the teacher' mornings, providing a valuable chance for you to connect with your child's educator and gain insights into their learning journey. These interactions are crucial in fostering a strong home-school partnership, and I hope you found them informative and reassuring.

I'm pleased to report that Manchester City Council has conducted an SEN audit, examining our provision for pupils with special educational needs. This process helps us ensure we're offering the best possible support and resources to all our learners, reaffirming our commitment to inclusive education.

Our pupils have been exercising their democratic muscles recently! They've taken part in selecting names for our new house system, a process that has generated much excitement. I'm thrilled to announce that the chosen house names are Barnardo, Frank, and Parks – each representing inspirational figures who've made significant contributions to society.

In addition to this, our pupils have participated in electing their student council representatives and House Captains. It's heartening to see our young people engaging in these democratic procedures, developing important skills in citizenship and leadership. A warm congratulations to our newly appointed House Captains: Josh, Qudsia and Isabella. I'm confident they'll lead their houses with enthusiasm and dedication.

On the attendance front, our weekly attendance currently stands at 94%. Please remember to contact school in the morning if your child is unwell. If they are feeling slightly under the weather, often they feel better once they are in school and with their friends. If they are not well enough to be in school, we will contact you during the school day.

Lastly, I'd like to remind everyone about the importance of the School Spider app. This essential tool keeps you informed about school events, allows you to make payments for trips and enables you to book breakfast and after-school clubs. If you're experiencing any difficulties with the app, please don't hesitate to speak with our helpful office staff who are always ready to assist.
