Dear Parents and Carers,

Please take a look at some very exciting events which have happened recently, with many more to go.

Young Carers

On Wednesday 12th March, our Young Carers were invited to the Town Hall in Manchester to have lunch with the Lord Mayor, during their Young Carers Day. Whilst there, we have been recognised for our efforts in supporting young carers. The Lord Mayor of Manchester presented them with a Young Carers Award, which is a fantastic achievement and highlights the school's commitment to ensuring that young people who care for family members are acknowledged and supported.

Chester Zoo

Year 4 had a fun filled trip to Chester Zoo recently! The children were all so well behaved and really enjoyed understanding and learning about the rainforest and the animals that live there. They also saw lots of amazing animals such as loud lions, cheeky chimpanzees, komodo dragons and enormous elephants to name a few! A lovely day out and a great animal adventure!

The Magic Flute

Recently, Year 3 undertook an adventure to The Lowry to experience an amazing, abridged performance of Mozart's 'The Magic Flute'. The children were transfixed by the performance with some of them sharing that 'it was the best thing they've ever seen'. We were so proud of the children as members of the public and conductors praised their behaviour on the trams. Despite being the youngest group there, we were also praised for the respectful way that the children conducted themselves during the show.

Zoo Lab

This half term we have been learning all about Minibeasts and we had a very exciting visit from Zoolab. All of the children had the opportunity to hold a giant African snail, a snake and they had the opportunity to touch a cockroach and have an up-close look at a tarantula, whilst taking part in a fantastic and very informative workshop. All of the children were very considerate of the minibeasts, using gentle hands and quiet voices. We were very proud of their behavior and so were Zoo Lab!

SEND Coffee Morning

We would like to invite you to our SEND coffee morning on **Wednesday 30th April**, 9am-10.30am in the KS1 Hall. We will have a representative from the School Nursing Team attending to talk about 'Sleep' and 'Continence'. She will be happy to discuss individual cases with parents and give out resources. There will then be chance to have a chat and a hot drink with other parents and the SEND Team.

If the illness continues we ask that you keep us informed on a day by day basis. If we do not hear from you we will make a visit to check the situation.

Children can attend school with minor ailments (over the counter medicines can be given before & during school.)

We will call you if your child is too ill to remain in school. Please make sure the office has up to date emergency contact numbers.

Sickness

If your child has a bout of sickness or diarrhoea, then you should keep them off school for 24 hours after the effects have stopped.

We want your child back in school as soon as possible, but do not want to spread illness to others by encouraging them to come back too soon.

Medical Evidence

We require medical evidence when a child has been off school for 3 or more days. If we do not receive medical evidence we may not authorise an absence which could lead to a fixed penalty notice (a fine.)

Giving your child medicine.

We administer prescribed medication, with your permission, such as antibiotics, inhalers and eye drops.

Please visit the school office to fill out a medical consent form and any leave medication with the office staff for safe-keeping.
Thank you

DON'T BE LATE!
School starts at 8:45am

Register closes at 9:00am.

9:00-9:30am—if your child arrives in school between these times they will need signing in at the office & will receive a late mark.
