Our school children recently took part in an exciting cross-country event over two weeks, showcasing their determination, teamwork, and school spirit.

Despite the rain on the first week and muddy terrain our pupils shown great resilience!

With many achieving personal bests and a few even earning top positions. The day ended with proud smiles, tired legs, and a shared sense of achievement.

Parent Meetings

Message from Reception:

We are delighted to share that our Reception classes have settled in well! The children are growing more confident as they explore our new environment, engaging enthusiastically with their peers and the learning opportunities available to them. We have undertaken the Department of Education Baseline Assessment, and our dedicated team is eager to conduct further assessments to help set achievable targets tailored to each child's development, including Wellcomm language assessments.

As part of our commitment to broadening their learning experiences, the children have started their phonics journey. We are excited to inform families that phonics sound cards and QR codes will be sent home, providing an excellent opportunity for you to practise these essential skills together.

In addition, we would like to inform you that Reception Physical Education sessions are held on Wednesdays for RRG children and Thursdays for RHP children, this term. Please ensure that your child comes dressed in their PE kit to fully enjoy their physical activities. Thank you for your continued support at home; it truly makes a difference in our children's educational journey. We look forward to fantastic year ahead in Reception!

Message from Year 3

Thank you to the parents who were able to join us for the Year 3 parent meeting this week. We appreciate that this might not have been possible for some of you, so we will put the information on to school spider for you to view in your own time. The main takeaways are that the teachers will meet your child at 8.40 to welcome them into school ready to start learning at 8.45. We have PE on Monday and Wednesday, when children can come to school in PE Kit. We ask you to listen to your child read at least 3 times a week and send their school planner daily.

Thanks again, Mr Edwards and Miss Stocking.

✿ Support Kara and Her Children in the Shine Night Walk Manchester 10k! ✿

One of our parents, Kara, along with two of her children, will be taking part in the Shine Night Walk Manchester 10k on Friday 10th October 2025 — all to raise vital funds for Cancer Research UK.

They're walking to support life-saving research, particularly into pancreatic cancer, and they need your help.

With your support, Cancer Research UK's dedicated scientists can continue their groundbreaking work — finding better ways to prevent, detect, and treat pancreatic cancer. Every single donation, no matter how small, makes a real difference.

👉 Donate here: <https://fundraise.cancerresearchuk.org/page/karas-giving-page-259>

Let's help Kara and her children smash their fundraising goal and shine bright for a cause that touches so many lives. ❤️👉

Macmillan Coffee Morning

We will be hosting our annual **Macmillan Coffee Morning** on **Friday 26th September**, and I would love to see as many of you there as possible.

This gathering will take place in the KS1 Hall between **8.45am-10.30am**, where we'll have a lovely selection of refreshments and delicious cakes available for purchase. All donations will go to Macmillan Cancer Support, a charity that provides invaluable assistance to families facing cancer diagnoses. It's a cause that touches many of our lives, and I know our school community will come together to show their generous support.

For your convenience, we're offering two payment options this year. You can bring cash on the day, or alternatively, you can make your donation through School Spider. Simply look for 'Macmillan Coffee Morning' under your payments section, where you'll find a dropdown menu allowing you to select your donation amount.

These events provide wonderful opportunities for parents and carers to come together, share a cup of coffee, catch up with one another, and support a worthy cause.

I do hope you'll be able to join us for what promises to be a lovely morning of community spirit and fundraising.
